OUR ARMS FOR SERVICE:

DESIGN SECTION:

- Artists drawn from the best talent available in art schools and Design colleges are constantly engaged in preparing paper designs. These designs comprise both for weaving and for hand block or screen printing. The attempt is to preserve traditional designs by reviving them and/or adopting them to the requirements of the market. These designs help in production of items both for domestic and export markets. This Centre has 'Arahne' Software for making designs for Saree, Dress Materials Home Furnishing and Wall Hanging Design (Photo Image on Fabric) etc., Care is taken to see that the designs developed are within the discipline imposed by the types of yarn, dye stuffs and weaving techniques as per requirements of the sector. This core service is rendered from Weaver's Service Centre, I.I.H.T Campus, Thillainagar, Salem.

WEAVING SECTION:

• Skilled weavers drawn from the main traditional weaving communities of the country to the Weaving Section in WSC, Salem. They are supervised by qualified textile technologists. Facilities of prototype looms and weaving equipments are available in the Section. Fabrics in new designs and new textures are produced using different yarns. The Section has Electronic Jacquard working with solar power and motorised lifting devices for easy weaving. This Centre also undertakes simple improvements in looms and in the processes of weaving. Innovative handlooms & accessories developed by others from the industry are also installed in the section to create awareness among visitors to this Centre. Attempts are being made to produce Technical Textiles on handloom by modifying existing loom. Modified Stainless Steel Sample loom has been developed by this Centre for imparting on-Loom finishing during the weaving process. This core services is rendered from Weaver's Service Centre, I.I.H.T Campus, Thillainagar, Salem.

DYEING LABORATORY:

• Fully equipped Dye Laboratory manned by qualified technical personnel capable of developing yarn & cloth dyeing techniques in processing are available in WSC Salem. These Laboratories bring out number of shade cards for silk and cotton dyeing. These illustrate a number of shades in use in the field of handlooms and also give details of the method of application of dye stuffs, temperatures to be maintained and the length of dyeing period for each shade. These cards also provide information on degumming, scouring, bleaching, dyeing etc. and the equipments used in dyeing and testing methods. This core services is rendered from Weaver's Service Centre, I.I.H.T Campus, Thillainagar, Salem.

PRINTING SECTION:

• This Section carries out experiments in preparation of basic materials for hand block printing & Screen Printing. Dischargeable and non-dischargeable dye stuffs have been effectively used to obtain multiple effects of rare beauty. Sizeable quantity of hand-block and screen are available for use by Weavers and Handloom organizations.

LIBRARY & DOCUMENTATION SECTION:

• A collection of cloth samples, books and periodicals dealing with various aspects of the textile industry is available in this Section. In an attempt to augment the resources of the WSC, there is a proposal to acquire a sizeable collection of books and periodicals to form a big Library of the Weaver's Service Centre, I.I.H.T Campus, Thillainagar, Salem.
